

P-WAVE®

EASY FRESH COVER

Easily the best room air freshener!

We know how difficult it is to create the right impression for your customers. All too often their experience of your business is spoilt by bad smelling washrooms. You can change that today with ease! Instead of that unpleasant drain smell, imagine your washroom smelling lovely with your customers being greeted by a choice of natural smelling fragrances. Your customers get a great experience whilst you get great customer satisfaction and loyalty! P-Wave Easy Fresh Cover is the unique non aerosol air freshener.

- Highly fragranced
- The fragrance is in the cover! So no aerosol.
- Continuously releases over the 30 days so you don't have peaks and valleys
- The fan helps blow the fragrance around the room
- Covers up to 16sq mtrs
- Low VOC (Europe compliant)
