# P-WAVE REFRESH

## The powerful compact air freshener

We know how difficult it is to create the right impression for your customers. All too often their experience of your business is spoilt by bad smelling washrooms. You can change that today with ease! Instead of that unpleasant drain smell, imagine your washroom smelling lovely with your customers being greeted by a choice of natural smelling fragrances. Your customers get a great experience whilst you get great customer satisfaction and loyalty!

P-Wave Refresh can be used in Big D®, Contico®, Hospeco®, GA Pacific®, F-Matic®, NilOdor®, Rubbermaid TC® & Time Mist® fan cabinets
