

P-WAVE®

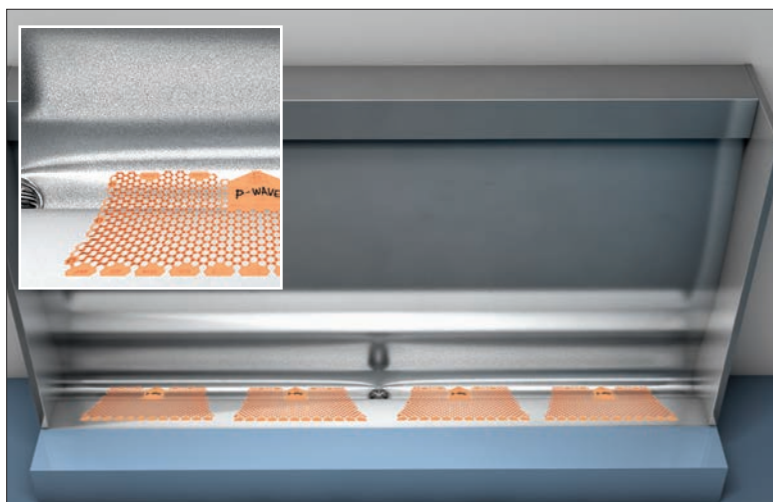

P-TROUGH SCREEN

30 day fragranced trough urinal deodoriser screen!

We know how difficult it is to create the right impression for your customers. All too often their experience of your business is spoilt by bad smelling washrooms. You can change that today with ease! Instead of that unpleasant drain smell, imagine your washroom smelling lovely with your customers being greeted by a choice of natural smelling fragrances. Your customers get a great experience whilst you get great customer satisfaction and loyalty! P-Wave Trough Screen is the only answer to the trough odour!

- Highly fragranced
- Releases the fragrance over 30 days
- Has long protrusions both sides to reduce splashback
- Designed to link together for the length of the trough
- A 'clock system' to remind you when to change
- Releases an odour controlling bacteria
